

MARINE EXPERT

Watercraft theft is on the rise.
Most thefts occur when **the craft is out of the water, on a trailer.**

MARINE EXPERT

encourages you to install a superior quality **lock onto your trailer coupler** so as to deter eventual thieves from escaping with your watercraft.

This lock is “AMPlock”.

In several cases, the lock is mandatory. If not, there is a reduced deductible program available when purchasing an AMPlock kit.

Contact your Insurance Broker.

The offer includes *:

One “AMPlock” lock and 2 “AMPBolts”

A BR Lock

Trailer Coupler with Protective Devices

Two AMPBolts

* Certain types of trailers may require additional specific accessories.

Refer to the list of locations on
www.amplock.com
under “Insurance Program”
